## Profile

---

A motivated BCA graduate seeking an entry-level role in the tech industry to apply my knowledge in programming and web development. Eager to learn, grow, and contribute to innovative projects while enhancing my skills in a dynamic work environment.

## Work Experience

---

<b>web development intern(Remote),</b> <i>Vaishnav Technologies</i>	05/2023 – 07/2025
I completed a remote web development internship at Vaishnav Technologies, Coimbatore. I worked on building responsive web pages using HTML and CSS. The experience helped me improve my front-end skills and understand real-world development tasks.	Coimbatore, Tamil Nadu

## Projects

---

### Portfolio website, *kevin richard D portfolio* [↗](#)

Designed and developed a personal portfolio website using HTML, CSS, and JavaScript to showcase my skills, certifications, and projects. Fully responsive, dark-mode enabled, and deployed via GitHub Pages.

### E-commerce website(frontend), *Shopeasy* [↗](#)

Designed and developed a responsive online shopping website using HTML, CSS, and JavaScript. Built product listings, login interface, and cart layout inspired by real-world platforms.
